MARINA TOWER CONSTRUCTION UPDATE

March 2016

Project - Marina Tower

Level 1 & 2 apartments slabs are now complete, liner apartments are up to level 2, the third crane will be installed this month, the lift core is up to level 5.

The estimated completion date for Marina Tower is still on schedule for Q1, 2018.

We hope you are as excited as we are to see the continued progress of the project and we look forward to providing you with further updates to the construction program in due course.

Our Property Management Team

It takes us on average **14 days**  to lease a property.

At Ray White Southbank we are experienced in exceptional property management services throughout the city of Melbourne. We understand that as an investor you require the security of knowing that your requests will be met every time, and your property managers are fully equipped with the skills and systems required to manage your investment. We offer a full service for owners and handle everything on your behalf.

Our property management manager, Matthew Wallace, has over 10 years' experience in both Australia and the UK. Matthew has worked for a number of years across both property management and sales, having worked for Countrywide, one of the UK's largest property services groups. He has a keen instinct for market movement, pricing properties and securing quality tenants. Matthew also has a vast amount of experience with off the plan projects and will be happy to help with any aspect of leasing or property management.

If you would like a free no obligation appraisal on any of your Melbourne property portfolio, please reply to this email.
